Mr. W. Bradley, Esq. Pres.

San Francisco, Calif.

Dear Sir,

Reports - your letter of 29th ult.

I will see that all reports are got off to you soon as possible. I supposed the May reports had been sent a week or 10 days ago. They were finished then, but Simmons informs me that he has been waiting for Rogers to copy them! & the latter has been absent for a week - sick. The Treas. Statement will go tomorrow.

Yours truly
Fred. Burbidge
