Dear Sir,

Ouaha, your letter of 29th ulto. I had some talk with H. M. Davenport a few days ago about his & Reith's interests in the Ouaha & said I thought we would be willing to buy on the basis of \$4000 or \$5000 for the whole. Will keep Beale after Keating when the former returns from the east.

Will add the other claims in the vicinity of the Ouaha to the map as occasion offers.

Yours truly
Fred. Purbridge
