Dear Sir,

Referring to my letter of yesterday calling for certain papers &c. Mr Bradley wants you to go through his desk for these as well as other places where they are likely to be - and he says that in his desk you will also find some more blue prints - maps & drawings which you will also please send to me.

I notice that you are sending mail addressed to Wardner, and wish to call your attention to the fact that we are still doing business at the old stand, & that our address is Kellogg as heretofore.

Yours truly
Fredk. Burbridge
