Dear Sir:-

In the matter of fire insurance, will you please arrange to have our mill buildings covered during the process of re-construction. The value of the property will, of course, be constantly increasing until the work is completed, but I think that there will be no difficulty in arranging the matter. There should also be a rebate of premium due us for the unearned portion of the premium paid last December- for that portion of the policy <sup>covering property</sup> which has been destroyed.

Yours truly,

Bunker Hill & Sullivan M. & C.Co
