Dear Sir:-

Replying to your letter of May 25th. in regard to exchange on Tacoma drafts, I understand that the Tacoma Smelting Co. banks with the Bank of California, and it should be possible to make some arrangement by which our drafts could be collected without charge for exchange and at the same time credit them to us as cash when deposited. I note from Mr. Rust's letter that our drafts ^{until} ~~only~~ lately were sent through the London and San Francisco Bank for collection, and that no charges for exchange were made. Cannot the drafts still go that way? If not, perhaps Mr. Rust can arrange to have the Bank of California pay our drafts on presentation to it with B/L and invoice attached. I will write to him suggesting this and advise you.

Yours truly,

Fred. Burbidge
