Dear Sir,-

Replying to your letter of 15th inst. I have prepared a list of nearly two hundred claims in this immediate vicinity, copy of which I sent to you some week or ten days ago. Mr. Granger probably has this on file, but if it has been mislaid, I will have another copy made for you.

Yours truly,

Fred. Burbidge

The list of claims prepared by Burbidge was placed in my pocket with other papers when you were here last week with other papers on the left hand of the desk.

I put it on my desk F.W.B.
