Alex. Granger Esq.  
Dear Sir,

The Pinkerton agency is sending us copies of the reports of operators who are working for Gov. Steunenberg & Jos. MacDonald. These interest us, but we do not think we are entitled to receive them - & we do not wish to accept them, because of possibility that the agency may look to us for payment for same. Please see Mr. Vannatta and instruct him to stop sending these reports to us.

Yrs truly  
Fredk Burbidge
