My dear Lindley:-

Regarding the matter of collecting damages from Clark & Sweeny for the extraction of ore under the Kirby ground on the extra-lateral rights of the Stenwinder, how would it do to put this collection business in Folsom's hands on a contingent fee? We own the Kirby and Stenwinder, and also some Last Chance stock and Last Chance bonds. By taking the above mentioned ore, Clark & Sweeny have made a great deal of money, which they have invested in Spokane real estate. It seems to me that, if some one was put on their trail, and would take the time, he could successfully demand an accounting. Kindly write me your views regarding this matter.

Yours very truly,
