MINES AND WORKS AT WARDNER, IDAHO.

POSTOFFICE ADDRESS,

KELLOGG, IDAHO,

July 15th, 1899.

F. W. Bradley, Esq., Prest.  
San Francisco, Cal.

Dear Sir,-

The Wardner Industrial Union appears to be making satisfactory progress. At present it has a membership of about 125. As far as I can gather, it is looked upon favorably by all of the people here, except the dynamite element, and I have no doubt that it will steadily grow in strength and influence.

Yours truly,

*Frederick Burbidge*
