

BUNKER HILL & SULLIVAN, M. & C. Co.

Wardner, Idaho, Aug.16, 1900.

Operative attended the Union meeting last night, which was held in the private room of Mr.Price, secretary of the Miners' Union. There were eight persons present. The men are very careful as regards their meetings, as they are afraid of being arrested under martial law, which exists here, should it become known. The members of the Gem Idaho Union were arrested on Wednesday, Aug.15th for holding union meetings, and this has caused the Wardner Union No.18 to keep their meetings a secret.

Letters from Ed Boyce of Butte were read at last night's meeting, which stated that he was going to Uray, Col. in a few days, and on his return he would try and see the secretaries of the Couer d'Alenes at some place out of that place, where they would take some action with regard to the coming election.

It was resolved that a delegation be sent to Mullan, Idaho to take action regarding the election.

It was voted that a committee be appointed to select some old cabin in an out of the way place in which to hold the Union meetings hereafter, so as to be more safe from the officers.

There were two members admitted to the Union after which the meeting adjourned, as it was thought best to make the meeting short in order to avoid arrest.
