

Bunker Hill & Sullivan.

Operative reports that today, Nov. 22nd, he had an interview with M.W. Williams of Grass Valley, Cal., who says that he thinks the W. F. of M. are to take some action with regard to getting some of these Deputies, who are in the Cour d'Alenes, out of the business.

Mr. Williams says that the Deputies, with Managers McDonald and Furbridge behind them, kill good men just to show what they can do.

The Wardner Union is to have a special meeting some time before the first of the year to discuss this matter. The Wardner Union men say that if they cannot get these men out of the country by law, they must do it by force.
