

Frisco Cons'd. Mining Co.

Operative reports that he was at the F. H. mine on the morning of Nov. 28th, and noticed a crowd of men looking for work, but he did not see any of them get work. Operative was in Burke afterwards and noticed idle men sitting around all the saloons.

Operative reports that there is some talk both in Gem and Burke, about a change in the management of the F. & H. mine. It is said that Tom Jay is to take McDonald's place as manager. The Cornish men are very much pleased at the idea. They claim that Jay would make a big change in favor of Union men, that the Union would be recognized and Union men get the preference.

Operative reports that there are a good many idle men in Gem, just now, mostly Cornish men. The following are some more names of Union men,
