

Frisco Cons'd Mining Co.

Operative reports that he has been in Burke, Nov. 18th and 19th, but has nothing of any importance to report. Two miners from Rossland, B.C. namely Connors x and William Powers xxx, have been around Gem since things have quieted down.

Operative notices that Balch, Secretary of Union, has been often about the Hall lately, generally talking to Bob Bradley and Dan Harrington.

There is a report around Gem that miners working must board in Co. Boarding House, or quit. Operative hears that Brably's Boarders are all let off. The Cornish think that they will get back on the 1st, and if they do, it is said that they will quit Bradley.

Operative reports that there has been no meeting of Miners' Union since the night after Kennedy and Kildee were killed. The Union men are down on the Cornish Union as they say the Cornish men will not attend the meetings until martial law is declared off.

The following are the names of Union men; operative is making up a list and will send it in as soon as possible.
