

Wardner, Idaho, Dec. 25, 1900.

Opr reports that recently there has been some damage done to the B. H. and S. Flume and on the night of the 24th inst. the B. H. and S. Cable was cut.

Opr. has recently had an interview with Mike O' Grady and John Elliott who say that they are here to represent, John Voightlauer, also that they had fixed things so that the miners could have a rest on Christmas day.

Opr. is of the opinion that these two men damaged the Flume and cut the Cable.

Some time ago Voughtlauer told Opr of these men, who were then stopping with Mrs Bard over the Club saloon in Walla ce.

O'Grady and Elliott avoid telling Opr where they were staying, but said they were on the go all the time, however they told Opr that they would stop in Kellogg on the night of Dec. 24 inst.

O'Grady is about 5ft 7in Tall

weighs about 175 lbs.

Very dark Complexion.

Elliott is about 6ft Tall.

Weights about 200 lbs.

Light Complexion.

These men have very little to say to any one and get acquainted with but few people.

Opr was introduced to them by S. C. Stratton, Pres't Wardner Union.

Prest Stratton told Opr to day that O'Grady and Elliott would do the Union some good before they left the country, and the Companies would also know that they were here.

Stratton does not know where O'Grady and Elliott stop but thinks they make their head quarters at Wallace.

Dick Adams got into a fight with a teamster at Wardner last night and beat him over the head with a gun.

Opr heard Nelson Paulson and Martin Davis say that Adams would bite the dust before one month, if they had to do it themselves.

Yours B -

Will be in Wallace tomorrow and at
