June 23rd, 1899.

Alexander Granger, Esq.,
Crocker Building, San Francisco, Cal.

Dear Sir,-

We find that in making our draft on the Globe works for final settlement of our account, an error was made by which there still remains due us the sum of \$64.07. Please make further draft on the American Smelting & Refining Co. Globe Plant, Denver, for this amount. Amount has been entered on bullion book.

Yours truly,

Fred. Burbidge
