Mr. Frederick Burbridge.

Dear Sir:

I called on you yesterday but found you out of town.

We are getting matters very well arranged and I have suggested to Sheriff Southerland that he and his deputies pay particular attention to John Elliott, Mike O'Grady, Bill Evans, Pat Conway and Jim Burkhardt, who were reported to you by Z-.

I don't think there is any doubt but what there has been a fund of \$5000.00 set aside for the use of these men, and I believe they intend to make some move at the first opportunity.

If you contemplate placing on of any guards I should be pleased to furnish you with as many as you may wish.

Yours respy,

W. S. Swain
