

Spokane W. 5/16-1901

Mr Burbidge,

Dear Sir -

5/22

would you think it would be a good idea to have J. point out those fellows to some one you can trust. I believe it can be done in a cautious manner, and if it meets with your approval I would suggest that he operated with sick Adams in the matter

Those fellows at Wallace should be known to Sheriff Sutherland as soon as possible,

Yours Truly
(S)
