Dear Sir,-

The restraining order in this suit is made returnable at San Francisco on July 13th, Judge Beatty opening court at that place on the 9th. It may be that Dowd will not enter an appearance to oppose the issuance of an order, but if he does so, could you not get Judge Lindley to represent us on that occasion, so as to avoid the expense of a trip to San Francisco by McBride. The latter will prepare the papers so that Lindley will have no work to do in the matter.

Yours truly,

Frederick Burbidge
