CSD EMB. #510,
issued 4/12/43

UNION PACIFIC RAILROAD

Omaha, April 13, 1943

Embargo No. 961:

Car Service Division, account accumulation and car delay, embargo all carload freight consigned to Mexico routed via Laredo, Brownsville or Eagle Pass, Texas, or consigned to those points intended for export by rail to Mexico.

EXCEPTION - Freight for local delivery at Laredo, Brownsville, or Eagle Pass, Texas, may be accepted if bill of lading carries shipper's certification (and waybill is so endorsed) that shipment is not intended for export by rail to Mexico.

This embargo supersedes and cancels embargo #842, CSD Embargo #42.

Union Pacific agents be governed accordingly.

P. J. LYNCH,
GENERAL SUPT. TRANSPORTATION

CSD EMB. #124

UNION PACIFIC RAILROAD

Camas, April 15, 1943

Embargo No. 9611

Our Service Division, account explanation and our delay, embargo all cargo freight consigned to Mexico routed via Laredo, Brownsville or other Texas, or consigned to these points intended for export by rail to Mexico.

EXCEPTION - Freight for local delivery at Laredo, Brownsville, or other Texas, may be accepted if bill of lading carries shipper's certification (and waybill is so endorsed) that shipment is not intended for export by rail to Mexico.

This embargo suspends and cancels embargo No. 9611. GSD Embargo No. 9611.

Union Pacific agrees to forward accordingly.

R.E. LYNCH, GENERAL SGT., TRANSPORTATION

GSD Emb. 9611
