Enrollee Stuart W. Wright, CC6-48384, Camp Boehl's Cabin, S-261, Elk River, Idaho, who being duly sworn says that:

On the morning of July 27, 1935, I was notified by Senior Leader, Anton Sebeckis, that enrollees Schroll and Henry were absent from roll call and had gone A.W.O.L. I immediately checked their clothing and equipment with Sebeckis and Captain Leasure. A careful check of bunk, barracks bags, and area around the bunk revealed the shortages on the attached Report of Survey. Presumably, all items missing were taken with the enrollees.
