

Payette Lakes Ski Course Ready

Payette Lakes winter sports area will hold its opening day of the winter season Sunday, November 20.

J. W. Kasper has been working this week installing the lift machinery in the new log ski lift house. The lift will be running Sunday.

The new slalom course is also completed and the ski jump is ready for use. A crew of Ski club members met at the hill last Sunday to fell the remainder of the trees on the slalom course and to begin burning brush. A crew of CCC boys under Monte Cross completed the work this week. Eighteen inches of snow was measured on the hill.

A meeting of the executive board of

be running Sunday.
