McCall Loggers To Play Riggins CCC Team

The McCall Loggers are going to play the highly touted Riggins C C C team at the community hall in McCall on Saturday, December 30 at 8 p. m. The Riggins boys are reputed to have a very strong team and have as yet had no trouble in winning all the games they have played.

Rumor has it that there is a sizeable wager made between the two teams as to the outcome of the game. This should make this a game that will be hard fought and a ball game from start to finish. All season tickets are good at this game and general admissions is 35c and 15c.
