

CCC NEWS

Marion J. Kloth, Company Commander at Camp McCall, will be leaving here en route to Ft. Benning, Georgia where he plans to attend the infantry school. Lt. Woodruff, former Subaltern of this Company, will replace him at Camp McCall as Company Commander in the near future.

It was learned today from Lt. Kloth that the dentist from Boise District Headquarters, has set up his equipment in the infirmary at camp and will be there until all needed dental repair work has been done.

On his periodical camp inspection tour the Veteranarian from Boise District Headquarters was at McCall camp to inspect all meats and refrigeration used here.

A new spike camp, has been set up recently, located at Crooked River in the vicinity of Council. This camp

A new spike camp, has been set up recently, located at Crooked River in the vicinity of Council. This camp is working on the completion of the road in the neighborhood. It was also located there for possible forest fire prevention, as the old camp council has been disbanded, and no fighters from other CCC camps will be available in an emergency.
