

FSA WILL HELP WITH FINANCE IN FOOD RAISING PROGRAM

"Tremendous increase looms in demand for dairy, pork, poultry, and garden products, as the armed forces are being doubled, employment of all able-bodied men approaches, food needs of our allies increase, and need for all-out production to prevent disastrous inflation intensifies," said Glen L. Hudson, Supervisor of the Farm Security Administration. "Total war means total production by farm and factory, and we must not have a Pearl Harbor in agriculture."

Hudson, Supervisor of the Farm Security Administration. "Total war means total production by farm and factory, and we must not have a Pearl Harbor in agriculture."

Special authorization has been given the Farm Security Administration to make loans to individuals participating in Food for Freedom Clubs, engaged in organized and supervised dairy, poultry, hog, sheep, or garden projects. Loans can be made for livestock, tools, seed, fertilizer, livestock shelter, pressure cookers, and similar goods with interest at three (3) per cent. Eligibility will extend to members of 4-H Clubs, and any organized group prepared to carry out a war food project.
