First C. C. C. Workers to Entrain Here Sep- tember 18

The first troop train carrying about 330 members of the Conservation Corps back to New York and New Jersey will leave Cascade under command of Major Herr September 18. These men will be those of Profile Gap and Twin Bridges Camps who have not signed up for another six months and go to Camp Dix in New Jersey for discharge.

Camp is being built at Cascade where men from Profile Gap, Bear Valley, Poverty Flat, Twin Bridges, Stolle Meadows and Clear Creek, who are enlisting for another six months will be concentrated under command of Major Blauvelt of Company 279. These men will be held here until sent to the winter camps at various lower country points which are being located.

Other troop trains will move east from time to time during the next few weeks, the camps from the high altitude areas being moved first.
