

Emergency relief has been given to families who have been driven from their homes and provision has been made for temporary shelter until rehabilitation can be effected.

LARGE FOREST FIRE NOW BURNING IN CHAMBERLAIN BASIN

The largest fire of the season in section of Idaho is burning over several hundred acres of the Idaho Forest on Dillinger Creek in the Chamberlain Basin country. Equipment for 100 men has gone forward for the scene of the fire.

Several units from C. C. C. camps will be used to help the Forest crews in combatting this fire.

"New Deal" to be Dis-
