
CCC ENROLLMENTS SOON

The period of enrollment for CCC winter work has expired and the boys are returning home from the Riggins, Gallagher and other camps.

While no definite orders have been received here, yet it is understood that new enrollments for work in CCC camps for the summer months will be called for by April 10th. According to unofficial information received, a quota of both experienced woodsmen for which there is no age limit, and boys from 18 to 25 years will be allotted to Valley County. These men will likely be placed at McCall and Thorn Creek camps.

Those interested should register with the County Clerk at once.
