

TO ENROLL 40 ADDITIONAL WAR VETERANS

Boise— Authority has been received for the enrollment of 40 additional Idaho Spanish-American and World War veterans for a six months' period ending approximately October 31st, announced C. H. Hudelson, Manager of the Veterans' Administration Facility at Boise.

Veterans interested should communicate with the Manager, Veterans' Administration Facility, Boise, immediately.

Any veteran who was formerly enrolled in the Civilian Conservation Corps will not be eligible for reenrollment according to present regulations. No age limit is set but applicants are required to be physically fit to perform manual labor. Each enrollee must allot a portion of his pay to dependents. The veterans from southern Idaho will probably be sent to the camp located at Paris, Idaho, whereas veterans from northern Idaho will probably be placed in a camp in that locality.
