

as Second Class Mail
April 29, 1915, at the Post-
Cascade, Valley County,
under the Act of March 3,

Y IN A NUTSHELL

you own a thousand
wishes to sell. Suppose
standard of value in your
wheat—and that you will
sell for 1000 bushels of it.
Suppose that there are a
persons who wish your
only a hundred of them
beat. You'll sell a hun-
dred have nine hundred left
ends—and nine hundred
would like to buy them
without, because they
accepted medium of ex-

change—suppose that it is dis-
turbance these nine hundred peo-
ple's quantities of barley. This
wise given a value, in
the value of wheat, and
that you sell your
people obtain lodging.
The money problem in a
the reason why interna-
tional languishing is that
people who would like
other countries are un-
able they lack the present
exchange—gold. They
standard countries—and
low price of silver, as re-
sult has cut their purchas-
ing a fraction of former

to remonetize silver,
is simply a move to
power into hands which
and thus send new
the sluggish veins of
gold.

Kantola and Mrs. Alvin
Tuesday callers at the

McCall Items

CCC Camp S-223, Co. 1368 will be located on the lake shore property across from the Forest Service. A squad of twenty-five men are now on the grounds to prepare the camp for occupancy May 1.

C. A. Parks and sons have contracted to purchase the property known as the "Vista Payette". They expect to move in as soon as repairs can be made.

The Bakery has put on a new front and the interior is also being remodeled.

The I. G. A. Store (Williams-May) had their formal opening on Saturday. The store presents a splendid urban appearance, which in a measure compensates the managers who have spent months on this job.

Mr. and Mrs. Ed Luzadder spent a few days this week in Nampa and Boise.

Mr. and Mrs. Geo. Newcomb are in McCall for the summer.

Gust Lapinoja and John Heikkila returned Saturday after several months of touring California and coast states.

The Juniors and Seniors sneaked to Boise over the week end. They report a fine trip.

Elwood Pugh resigned from his CCC position to work at the Brown mill.

Mr. and Mrs. Lee Kessler were McCall visitors Tuesday.

Carl Brown drove to Idaho City Saturday. Warren returned with him Sunday. Guy Conyers will drive the truck for the Boise Payette for a short time.

Army White has purchased the equity of O. E. Ryder in the Log Cabin Tourist Park south of town and will move there for the summer. They are working for the Brown Lumber Co. in the Little Lake region.

Mrs. U. Kantola and daughter Hilda and John Kumpula were Friday callers in McCall.

Kenneth Johnson left Tuesday morning for Portland with his son.

remained until
noon. Mr. Rost took his wife
with him. She has been visiting
mother during her illness.
Howard remained to be with the
valley.

Mr. and Mrs. Kenneth Wilde
children from New Meadows.
Sunday guests of Mrs. Wilde's
parents, Mr. and Mrs. E. G. Starr
Irwin Starr.

Charles Cairns, Boise Valley
man was in this vicinity on Me
looking for pasture.

The Misses Anna and Lilah
ula were Cascade visitors last
Friday.

Mr. S. C. Skinner of Nyssa
among the sheep men in this
city Tuesday looking for pasture
appears that sheep pasture in
valley will be very much at a
premium this season.

Mr. and Mrs. Ray Pitkin, who
been visiting for a month near
Ba, Boise and various places
Utah, returned home Monday
morning.

The middle of last week
Fuller was added to the list of
employees on the Cruzen ranch.

Miss Anna Nisula and her brother
Ray are the proud owners of a
tractive Ford Coupe, purchased
Friday from the Donnelly Auto
The young people are very proud
of the car as it is the first one in
the family.

Mr. J. W. Hartsel, who has
been spending the winter in the E
Sims house, moved to his
new home across the river on Monday.

TWENTY-SIX News
