

# CCC Camps Are Now To Be Filled By Local Men

---

Orders have been received by the local Relief Office at Cascade to fill up the vacancies in the CCC Camps at McCall and Thorne Creek with local men as far as possible. These vacancies are caused by the enlistment period of six months for a great many men having run out.

In the new enlistments there will be no age limit, other than that no men under the age of 20 years will be taken. Physical fitness will be the only requirements.

Anyone interested should get in touch with the Relief Office, at the Court House, Cascade, before July 12.
