

# 100 VETERANS TO BE ENROLLED IN CCC CAMPS DURING OCTOBER

---

One hundred Spanish-American and World War veterans will be enrolled in the Civilian Conservation Corps in Idaho during October according to a statement just released by Homer Hudelson, Manager of the Veteran's Administration at Boise.

Veterans to be eligible for enrollment must be taken from the relief rolls or if not on relief must agree to allot at least three-fourths of their base pay as Civilian Conservation Corps enrollees to dependent relatives who are on relief.

Veterans interested in enrollment in the Civilian Conservation Corps should submit their applications to the Veteran's Administration at Boise immediately.
