BILLY RICE BOY SCOUT CAMP AT WARM LAKE NOW OPEN

Some sixty-five or seventy Boy Scouts from Emmett and Nyssa are now located at the Billy Rice Boy Scout camp at Warm Lake and are having a big time with their camping.

Mr. C. F. Baptist, district executive has charge of the Billy Rice camp this year. The Idaho-Oregon council is endeavoring to secure a federal appropriation so that CCC workers can improve the camp at Warm Lake with an assembly hall, outdoor fireplace and other permanent structures that will add to the comfort and enjoyment of the camp.
