

EMERGENCY PROGRAMS IN IDAHO LAST TWO YEARS BRING IN \$43,389,624 FOR STATE

Boise, May 6—(UP)—Emergency programs in Idaho during the last two years brought \$43,389,624 to the state for a period ending March 31, W. T. Lockwood, director of the national emergency council, said this week.

There was an unexpended balance in funds provided in emergency relief acts of 1935 and 1936 totaling more than \$4,000,000, he said.

Funds expended included, \$6,059,828.46 for highways, roads and streets; public buildings, \$1,028,465.50; public recreational facilities, \$688,157.43; \$21,009,056.63 for conservation; \$1,176,624.92 for educational projects, and \$645,042.25 for electric, water and sewage systems.
