## AYS WATCHED O NEW COPS

July 21 (AP)—Two hun-traffic officers—known "John Public"—are patrol-highways.

re been selected from lists submitted to the state of law enforcement by organizations, groups, fraternal public service organizations councils.

n to the average motorist, "Publics" observe a driv-ers and report his law in-by postal card—to the ement department.

violators whiz by other curves or hills, cut into or drive upon or cross ay from a side road with-ing, the volunteer traffic es the number of the of-r and sends it to the law

vein, gold and silver running about \$17, and other values bringing the total to about \$20.

## CASCADE NINE WINS FROM WARM LAKE

Cascade chalked up another diamond victory last Sunday to continue a no-defeat record for the season, when the local team took the Warm Lake CCC's into camp to the tune of 13-6. hTe game was played at Warm Lake.

Sunday's game was anything but a fast one, the locals batting around in the first inning, and counting up six tallies for a starter. Cromwell and Printz were batteries for Cascade.

Next Sunday's game, July 23, will be played against Horseshoe Bend on th elocal diamond. The league standing at the present writing, for the first half shows a three-way tie between Cascade, Horseshoe Bend and McCall. Sunday's game, unless the game itself results in a draw, will break the tie. There are three games left for Cascade in the second half of the series.

"The game with Horseshoe Bend, next Sunday," said Manager Carrol Hood, "should be one of the best games of the season. Hoseshoe Bend is coming down here to beat us. However, as far as that goes, Manager Hood continued, "we went to Garden Valley with the odds 5 to 3 against us, and won the game 11 to 4."

Horseshoe Bend and McCall both have mighty fine teams, and anything can yet happen in this last half of the series. A big crowd is expected to turn out for Sunday's game and see it happen—maybe.
