# Farm Credit Loans In Valley County More Than \$300,000

Valley county farmers and stock-  
men are using well over three hun-  
dred thousand dollars of Farm Credit  
Administration loans, according to a  
joint announcement made this week  
by the secretary-treasurers of the lo-  
cal credit associations serving the  
county.

L. A. Kalbus, Boise, secretary-  
treasurer of the National Farm Loan  
Associations, which make and service  
Federal Land Bank loans locally, re-  
ported that on December 31 there  
were 106 Federal Land Bank and land  
bank commissioner loans outstanding  
in Valley county, for a face amount  
of \$306,250.

Blaine Brockman, secretary-treasur-  
er of the Western Idaho Production  
Credit Association, reported that his  
association made four loans for \$27,-  
293 in Valley county during 1940. At  
the end of the year, five member-  
borrowers owed a balance of \$17,276.

Both National Farm Loan Associa-  
tions and Production Credit Associa-  
tions are affiliated with the Farm  
Credit Administration. Land bank  
and land bank commissioner loans  
are made for the purchase or im-  
provement of farms or for the refin-  
ancing of mortgage indebtedness on  
farm land. Production credit loans  
are made for the growing of crops  
and livestock.
