FSA Council of Five Members Named This week

Creation of a County Farm Security Administration Council for Valley county consisting of five (5) leaders in agricultural and community affairs was announced today by Maurice Sorenson, County Supervisor for the Farm Security Administration.

The new council, which is made up of members of Rural Rehabilitation, and Farm Debt Adjustment committees, along with three other community leaders, will cooperate closely with the County Land Use Planning Committee, AAA committee, and other local groups in planning and promoting a coordinated attack on local problems as they affect low-income farm families, County Supervisor Sorenson said.

The members of the council, who were appointed by Walter A. Duffy, Regional Director of the Farm Security Administration, U. S. Department of Agriculture, are: Boyd Smith, Cascade; J. L. Redmon, Alpha; Mrs. Horace Patterson, Cascade; Frank Callender, Cascade; and Frank Kerby, Cascade.

In addition to coordinating the drive against rural distress the council members, through their knowledge of general and specific local problems, will be expected to assist the county Farm Security personnel in increasing the effectiveness of their program, Supervisor Sorenson said.
