CCC
INSPECTION - Coeur d'Alene
Camp F-132

June 20, 1938

Ranger Irwin C. Puphal,
Wallace, Idaho.

Dear Mr. Puphal:

Attached is Captain Kilgore's report following his recent inspection of the Shoshone Park spike camp.

I am glad to note his very complimentary statement concerning the camp. Will you follow up on the matter of cooking equipment and enamelware dishes? In other cases, the Company Commander has been willing to furnish chinaware for table use with the understanding that the Forest Service would replace any broken items.

Very sincerely yours,

CHAS. D. SIMPSON, Forest Supervisor,
