Degrees Conferred

Significance of Academic Costume

DOCTORS wear the round, bell sleeve; the gown is faced down the front and barred on the sleeves with black velvet or velvet of color indicating the degree; the doctor's hood is large. The doctor may, if he so chooses, wear the gold tassel on his cap.

MASTERS wear the long, closed sleeve, with a slit near the upper part for the arm; the master's hood is of more moderate size.

BACHELORS wear the long pointed sleeve; the hood is small.

UNDERGRADUATES wear the round or pointed sleeve, and wear no hood.

Hoods are lined with the colors of the institutions granting the degree, or with which the wearer is connected, and are trimmed with velvet of the color distinctive of the degree — for example, arts and letters, white; philosophy, blue; science, gold-yellow; music, pink; agriculture, maize; engineering, orange; forestry, russet; pedagogy, light blue; commerce and accounting, drab.

HONOR CORDS draped over the shoulders designate the students who are graduating with honors; cum laude with silver cords and summa cum laude with gold cords. These are recognition cords and are worn on this one occasion only — they are not part of the academic costume.

Honor Cords are provided by the Honor Society of Phi Kappa Phi.
