ELMER D. DAVIES

ATTORNEY

911 AMERICAN TRUST BUILDING

NASHVILLE, TENN.

December 22, 1928

Mr. David Lewis,
Clover,
Idaho

Dear Uncle Dave:

It has been quite a while since I have written you, but that does not in any way mean that I have not often thought of you. In fact, I took down my book of kodak pictures the other night and as I turned the leaves and gazed at the different photographs, I assure you that I had many pleasant recollections of the time we spent together last year.

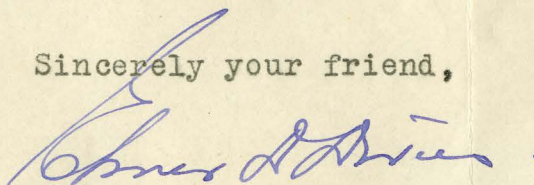

I hope that you are still in the best of health and that your eighty-four years will not in any way prevent you from chasing the cougar and bear next year, as Mr. Shellworth has invited me to come to Idaho again next year, and if everything goes just right you may rest assured that I will be there. I will certainly be glad to see you and I know that in all probabilities we can spend several pleasant evenings together.

Walt wrote me several months ago that you had killed two large cougars which you were going to send to Judge and me, but I presume that on account of transportation facilities you did not have an opportunity to get them out, as they have never arrived.

I want you to take on a good long rest this winter after you get snowed in and buy yourself a good suit of drinking clothes next fall, because I expect we will have to use them.

With kindest personal regards and wishing you a very merry Christmas and happy New Year, I am

Sincerely your friend,

D/L
