Edwardsburg, Idaho.

July 15.

Dear Mr. Lewis:-

I was sorry to hear of your illness but hope you are getting well. I am sending you a sack of flour, some sugar, oat meal and fruit. My supplies have been delayed and things are coming in vyer scatteringly, some ordered two months ago behind that ordered the last three weeks.

Mr. Edwards was called to Boise by Hoke Smith. I expect him to return about next Tuesday.

I am in a hurry so will close as the men are getting the mail out.

In haste

*Armin Wafers Edwards.*

P.S. When you come up I can pay you what I owe you and I am anxious to get everything settled. We are trying to get all the old Co debts off hand and it will be such a relief to Mr. Edwards and me. I appreciate the loan of the money and am very anxious to return it so I hope you will be up before long.
