Dr. Carter:

We received this letter and the check in our office this morning. The lease was sent from our office on September 20, and as of Sept. 24 Mr. Potts had not yet received it. The mail plane goes into the Taylor Ranch on Thursdays so I plan to call him on Friday or try to get a message in to him to see if the lease had reached him.

Dean Stark will be out of the office until next Tuesday. Hopefully we can reach him about Friday or at the latest Monday. If he hasn't received the lease by this Thursdays mail I'll send him another copy of it.
