Subject: Land Exchange, Scenic Easement with USFS

Could we sign the agreement to proceed with the evaluation of the land exchange with the USFS? This does not commit us to anything but would clarify the value of the Taylor Ranch scenic easement, Clark Fork and the School Forest lands. We need to obtain title to Clark Fork soon or else face a substantial increase in cost of the lease.

Any comments to
Mr. McKinney? I can't
remember what happened last on
this?
