Mr. David Lewis,  
Whitebird, Idaho.

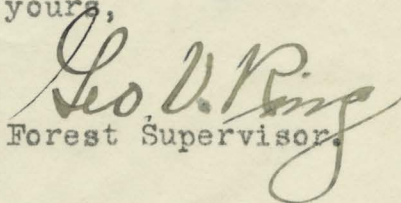

Dear Sir:-

Enclosed is a personal statement sheet and blank oath of office. Please fill out the statement sheet carefully and take the oath of office before a Notary Public and return the papers to this office as soon as possible. Your name should be spelled exactly as it appears at the head of this letter, since your appointment is recommended that way. If convenient, and you wish to do so, Mr. Crossley could show you how to prepare the papers.

Enclosed is receipt for preparing poison which it is desired to be thoroughly tested by the Forest Hunters this season.

Prior to April 1 you will be notified as to the particular district in which you will be expected to hunt.

Very truly yours,

  
Forest Supervisor.
