Mr Wegerhaeuser in St Paul
and he told me that he
had turned over your
furs to a friend in the
business and they would
get the best price possible
and mail your check
to you direct. The fur
market seems to be
pretty poor at present.
I am visiting at a

 Be sure to tell this to old

IN SAINT PAUL,

I want you to be sure to
write to me - (at Boise) -
and let me know how
you are getting along
and whether or not you
proved up on your
claim. Also whether
you are going to have
some one winter with
you. You ought to come
outside this winter. -
I am afraid it is going

to be a hard one.
When you write be sure
to tell me whether ^{there}
was anyone hunting
on my old stamping
grounds. With very
best good wishes
