Dear Uncle Dave:-

I wouldn't blame you if you had given up hopes of ever getting any prints of the hunting party from me. Been pretty busy, in fact, I took time off yesterday to do the work and yesterday was Thanksgiving.

Your picture was in the New York Times. Wouldn't wonder if many of your friends would see it and write you. Please let me hear from you if you do hear.

Kindest Regards.

Yours Truly

Ansgar E. Johnson
