Dear Friend;-

I just got a letter from Col. W.C. Brown, U.S.A. Retired of Denver who sent me a map of that country you are in and also a writeup of the Sheepeater Campaign which I thought you would be interested in and so am sending it to you.

Write and tell me about yourself and your work. Did you get any real good cougar skins this winter How are the dogs ? Did you get the stuff I sent you Christmas. Did you get any pictures ?

Sav I would sure like to drop in and talk with you and take a long look at those wonderful hills north of the cabin.

With every good wish for you and hoping to hear from you soon I am

Cordially,

C.P. Fordyce

Have a writeup of you in an eastern magazine which comes out next month I think and will send you copies.
