

EVANSTON RAILWAY COMPANY  
EVANSTON, ILLINOIS

OFFICE OF  
VICE PRESIDENT AND GENERAL MANAGER

June 22 1925

My Dear Uncle Dave;

I was surprised last Saturday to receive a visit from Dr Fordyce as he was passing through Chicago, We both enjoyed talking over the trip we had and we both agree that if it had not been for you it would not have been much of a trip considering the cheap guides and camp out fit they had

Dr Fordyce says that he can not spare the money to make up his part of your loss through the bad check Cupp gave you and Dr Davenport has not said what he will do, I have been trying to get up a pool and make up your loss, I also took the matter up with Shellworth and he wrote me that he had seen Cupp and Cupp promises to do something to clear the matter, Neither Shellworth nor my self expect that he is man enough to pay any part of it.

There is only one place that Cupp should live and that is in jail and that is where he will land before long, there is not much difference between Cupp and his whole gang, You know birds of a feather flock together and I am satisfied that Young, Johnson and Floyd are all about the same kind, Young signed the check given you so that he is as guilty as Cupp either or both could be made to pay you that money or they could both go to jail for having given the check.

I trust the world is using you nicely and that your health is good, I am sorry you are so far away from me because if you was nearer I sure could give you some of the pleasures of life that we enjoy.
