Don-

Hallett H. Hammatt phoned this morning from Pullman, Washington. He said he sent a paper (30 pages) edited by Guy Muto & himself, "Brush Creek Cache from Oklahoma," plus original photos. Was that paper sent to you & do you have it? He desired to have you read & comment.

Will you let me know on this & I can inform him if this was not received by you. It was around the first part of Feb '73, that he sent.

Thank You,  
Karen
