Dear Karen:

Enclosed please find a letter from T. Austen Brown of Sidney, Australia who is applying for our summer field school. Will you please answer same informing him of the information necessary and qualifications required.

Also enclosed is letter from Roger Saunder of the University of Oklahoma which is self-explanatory. Will you please also reply to this request.

Also again I ask that my address be changed to Rt. 1, Box 110 instead of Rt. 1 Box 39. The Australian letter was sent to box 39 and it was late getting to me.

Please inform Earl that I had hoped to visit the department this week but have been having som G.I. X-rays and could not make it. Hope to be able to come to Pocatello next Tuesday if everything goes okay.

Thanks in advance for these replies as my G.I. trouble is prohibiting me from doing much typing.

Cheers

Don
