Pocatello, Idaho 83201

Dear Karen:

Enclosed please find letter from Nina Holtzman regarding the summer field school. Will you please answer this letter and send her the necessary requirements.

Regarding the filing data on reprints - If there is nothing in the reprint pertaining to lithics just list the publication title.

Also enclosed is letter from Didie regarding typewriter repairs. Am enclosing invoice explaining that this is to repair the off-on switch which was cracked and had to be repaired. If this expense is not allowed please let me know and we will pay the bill. Please confer this information to Didie.

All for now and hope you have replied to the Wilmsen request for a publication in the forthcoming book of the free press.

As ever,

Don
